

Dear Guy Yohanan,

Congratulations! On behalf of Twin Cities In Motion and Medtronic Philanthropy, it is our pleasure to inform you that you have been selected to be a 2014 Medtronic Global Hero.

The Medtronic Global Heroes program was started eight years ago to celebrate runners like you who, with the help of medical technology, have continued to lead a full, active life. Your story stood out among more than 250 applicants. This year, you'll join 24 other Medtronic Global Heroes from around the world. You'll be running the **Medtronic TC Ten Mile** on October 5, 2014 in the Twin Cities of Minneapolis and St. Paul.

Of course, this program is more than running the race. It's an exclamation of full life. Your accomplishments stand as an inspiration to others.

In the coming weeks, our team will be working closely with you to ensure that you have a wonderful Global Heroes experience, which will include:

- Exclusive travel package for you and a guest (including airfare, lodging and meals)
- Paid entry for the Medtronic TC Ten Mile for you and one friend or family member
- An array of event benefits and gifts, including reserved seating in the Finish Zone for the Global Hero's family and fans, designated Global Heroes race bib, hat and race singlet, and an invitation to the Medtronic Twin Cities Marathon Global Heroes reception
- A \$1,000 donation from the Medtronic Foundation on your behalf to a non-profit patient organization that educates and supports individuals who live with the runner's condition.

You will soon be contacted with further information to make race week travel arrangements and to register for your race.

If you have questions about the program, please email GlobalHeroes@BIWorldwide.com or call us Monday – Friday, 8:00 am – 4:30 pm Central at [855-671-1889](tel:855-671-1889) or [+1 952-563-2927](tel:+1952-563-2927).

Once again, congratulations! We look forward to meeting you and the other Medtronic Global Heroes this fall, and sharing your accomplishments with thousands of other running fans. Welcome to the team!

Sincerely,
The Global Heroes Team
